

Anyone who is trying to find work is welcome to our free Job Club. We meet for 9 weeks starting this Thursday evening. The course includes sessions on Finding Motivation, Overcoming Obstacles, Identifying your strengths, CVs, Applications and Interviews.

Community is important, so we share a hot meal, before our trained coaches have one to one meetings with members. The rest of the team are happy to chat, help with more general job searches and applications.

Cake is involved. Obviously.

Talk to Jean Grima for full details about this Thursday.
