

## 2. DREAM BIG

### Numbers 11

cf. Ch.5-7 of the Circle Maker

### Key Points:

- **If you don't take a risk, you're less likely to see a miracle.** Noah looked foolish building a boat in the middle of the desert, the wise men looked foolish following a star to the middle of nowhere, and Jesus looked foolish wearing a crown of thorns. But the results speak for themselves - Noah was saved from the flood, the wise men discovered the messiah, and Jesus was crowned King of Kings.
- Moses can't even begin to comprehend *how* God can answer the prayer for meat to feed 600,000 Israelites. And God asks in v.23 "*Has my arm lost its power?*". This is *the* question He's asking us - *Is there any limit to my power?* And the truth of Scripture is that **God is infinitely bigger than your biggest problem or biggest dream.** (And His grace is bigger than your biggest sin)
- The Quail miracle isn't just incredible in fashion - quail being moved by a supernatural west wind - but in proportion too - an area of 700 square miles covered in quail. **When God gives a vision, He makes provision.** We just need the courage to step out in faith, take the risk and dream Big because God is Big.
