

The background of the slide is a composite image of Earth from space. The top portion shows a view of the Earth's horizon with a blue sky and white clouds. The bottom portion shows a more detailed view of the Earth's surface, including green landmasses and blue oceans. The entire slide is framed by a dark, starry space background.

QUESTIONS FOR REFLECTION:

1. What stood out to you from Pete Greig's Talk?
2. Why should caring for our environment be part of our Christian witness?
3. In what ways can we (as individuals & as a church) help combat Climate Change?
4. How can we be praying for our political leaders & environment?
