

Key Points :

- Do you ever feel like Christianity isn't working? Maybe you're burned out by the busyness of life, or you're discouraged that prayers don't seem to work. You're doing the right things but everything keeps going wrong.
- Jesus is *the way, the life and the truth* (John 14.6). The way matters. The first Christians were called 'people of the way'. Their goal wasn't just right theology and strong morality. Their goal was **to live and love the way Jesus lived and loved**.
- The way of Jesus offers Unhurried rhythms of grace, Unbroken fellowship with the Father, Uncluttered pursuit of God's mission, and Undivided attention in the moment. This is the better way.
