A brief bio of Lucy & Andrew Amukowa: Lucy is the Bishop of Burdekin Community Church located in Butere Kenya. She is also an International Christian Speaker who together with her husband Andrew and family lives in Kakamega Western Kenya. Married life for them began in the Kibera slums of Nairobi,

This though, is not just their story as God has always been with them. Lucy volunteering full time at the Hosanna Revival Church in Kibera slums, meeting people in poverty and, similar to her, struggling through life. She got a calling to change lives which began a life of sharing, caring and evangelism. She developed a passion to change lives.

This led them to Kakamega to establish 'Reaching the Unreached Through Self Help' RUSH, RUSH being one of our Mission Partners, a community based charity dedicated to education and improving lives through vocational training and caring for others.
