Dear Friend

I am much appreciating your prayers during this mission tour. **Please** keep praying.

The time in Nepal went well. The ministry time seemed to bless the people, and it was lovely to be with my friends again.

I am grateful for Dan Williams' companionship during the time in Nepal and for a week in Islamabad. During that week we did a two-day seminar with Pastor Arif Shalokh where Dan also contributed to the teaching with a talk on integrity. We also paid a visit of condolence to Bishop Clement's daughter, Nancy, in Rawalpindi, whose husband has recently died. Dan gave a very timely and appropriate testimony to the family. On another day we visited an Iranian refugee family, Lida and her three sons, who live in very little space near where Basis Community was first located in Islamabad. They have been waiting 24 years for the UNHCR to resettle them in the West! One of the sons works at night to support the family. The other sons are mentally handicapped, one of them being unable to help at all in the home, but has a lovely nature. Lida is devoted to them all. Now at last there is movement in their application as the UN have said they will call the family for medical tests, (as a pre-requirement for their being given a home in America). Please pray they will be called soon and will pass the tests.

I did a 3-day (afternoons) seminar in Rawalpindi with Pastor Clement last week. By the grace of God it went well, and I am now in Islamabad doing a 3-day seminar with the Pakistan Mission Society.

I hope I am not boring you by detailing the coming seminars, but I would greatly appreciate your ongoing prayers for the following events

18<sup>th</sup> – 20<sup>th</sup> March at the Pakistan Mission Society, Islamabad

23<sup>rd</sup> – 25<sup>th</sup> March (afternoons), in a private residence, for the church in Abbottabad

3<sup>rd</sup> – 5<sup>th</sup> April at a church in Khewra

10<sup>th</sup> – 12<sup>th</sup> April at Aram Guest House in Islamabad for church leaders generally (unconfirmed)

I am then thinking of extending my stay in Pakistan to visit Lahore. There is the possibility of a seminar in Lahore, but I particularly want to visit two friends there. This would mean returning to the UK around the 24<sup>th</sup> April

### **Prayer Thanks for**

Dan Williams' companionship in the first weeks of the tour  
the seminars seem to be going well  
Father's love and goodness throughout

### **Pray for**

Nancy's family in their grieving and for finances to keep her family fed and clothed.

Lida's family as they wait for the UN to resettle them in the States  
for the Spirit's continued presence and enabling in the seminars and that people would be blessed.

I would be able to see all the people who are expecting to see me  
good health for myself.

Father's will about extending my stay in Pakistan

Thank you for participating in this tour, in whatever way that might be.

In Father's love

Nigel
