For those who were Baptised Easter Sunday

**Lend us your ears** - As we prepare for the new term we are gathering for a time of listening and prayer. This is a particularly important moment to be seeking God before the church leadership meets at the end of the April, to try and discern what God is saying about His vision for the year ahead. This evening is an opportunity for the whole church to be part of the vision process, building upon our listening for the church profile last year.
