Hi there.

Update from Trish King:

I'm a member of a Ladies Bible study group (when we are not eating!).

I'm a local church member.

I'm the Financial assistant and trustee of Latin Link International (that really keeps my brain working!).

I am also on the committee that plans a monthly Ladies meeting to support the local Bible college. It sounds a lot but it's all good fun! It's all in Spanish apart from the finance stuff!

Abrazos.
