

I (Veronica) have just come back from a 5 day visit to my mom in Madrid. I have not seen her for almost a year and a half, so it was a special time of talking and catching up. My mom is not feeling so well health wise so it was encouraging for her to have me there for a few days. I am grateful that Chris took care of the kids while I was away and all worked perfectly.

Two weeks ago we had the baptisms of J and E. This is the couple from Peru that we met through the food bank ministry a few years ago. After Chris did follow up visits with them at their home, they attended the alpha course at our church, and now they decided to get baptized together as a sign that they want to follow Jesus. It was very special to see them making that decision. Please pray for encouragement in their faith journey and for provision for them, they are still struggling finding a job.

In two weeks Samara and Gabrio will be finishing school and we are getting ready to go to USA. Whilst there, we will be visiting different churches that support the ministry in the arab world. Please pray for safety as we travel and a good adjustment. Pray that we will be a blessing wherever we go and whoever we speak to.

Another thing in our heart is our kids education. As they get older, we are thinking more and more about what it would be better for them. Please pray for wisdom and the right opportunities for them. The most important thing for us as they grow is that they will love God with all their hearts, mind and strength.

These are some of the things going on at the moment and things in our heart.

Please do send our love to everyone there.

God bless you
Veronica, Chris, Samara Gabrio and Zion
