

And so we enter June!

May was extraordinarily busy, with lessons galore.... I updated you last month on all our activity in Cheam High and Oaks Park, and thank you for your prayers. We've delivered our series of Money workshops which went better than expected, and we've already been asked to come back next year, and Oaks Park have booked us in for next January!

GSUS at Cheam High was a resounding success, and the teacher has already booked us to return next year. And I'm finishing off the Self Esteem lessons over the next 2 weeks. Please pray that our continued contact with Cheam High will reap dividends for God's Kingdom.

I spoke to our wonderful friends at St Paul's lunch club who expressed delight when I told them all about our work, and in June I will be speaking at the morning services for St Michael's and All Angels, Wallington and Holy Trinity Wallington, so I may see some of you there.

Our Giving of the 5000 is beginning to gather pace. If you need to know more then please check out our website for details. Every penny raised goes directly to providing more opportunities for young people to hear a Christian believer talk about their faith, so please consider giving £1 per month if at all possible!

In June I will be speaking once more at Cheam High, this time to the GCSE students, delivering our very popular and effective Persecuted Christians workshop. I've also arranged another Grill a Christian session, this time at Carshalton Girls for Wednesday 17<sup>th</sup> June. Please pray that our wonderful volunteers will be inspired by the Spirit to give challenging, informative responses.

And our CU continue to provide support and encouragement to our students across the various schools. We still haven't been able to progress with Oaks Park though. Something's getting in the way there, so please pray for that particular obstacle to be overcome.

And I continue to try and engage with a teacher at Glenthorne to see if we can start a CU within that school.
