Prayer Labyrinth

Prayer Labyrinth instructions

Enter with thanksgiving
As you place your finger to enter the Labyrinth give thanks to the Lord for who He is.....
(these are just suggestions to pray for)
- Move your finger towards the 1st space asking the Lord to lead you.
- In the **1st space** pause or circle your finger there, thanking God for what he has done for you.
-When you are ready leave that space and move your finger on continuing to ask the Lord to lead you especially at every bend.
-At the **2nd space** pause or circle this space. Bring what / who is on your heart to the Lord, thanking Him for them and letting God lead you into prayer for them. Stay there as long as you are praying. When you are ready leave those you have prayed for with the Lord and move your finger again asking the Lord to lead.
3rd space your 5 to come to know Jesus.
4th space your Local Area.
5th space World—Mission Partners, Persecuted Church, World issues, Countries.
6th space Pause in God's presence giving thanks to Him for meeting you, hearing your prayers and asking him to go with you as you go back into your day.
