Subject: Foodbank Volunteers Needed

Particularly in your area we are looking for:

Handley Page, Roundshaw - Mondays 5:30pm - 7:45pm

1 x meet and greet (greeting, refreshments, giving out food)

2 x team leader (opening/closing, doing the tablet, signposting people to services, ensuring all goes smoothly)

St Michael's, Wallington - Thursdays 11:30am - 2:30pm

1 x meet and greet (greeting, refreshments, giving out food)

(if anyone is interested to lead, this would be good too, to share out the load and help cover in summer)

We also have needs at our other venues, if those days/times suit people better.

Salvation Army, Central Sutton - Mondays / Fridays 11:30am - 2:30pm

2 x meet and greet (greeting, refreshments, giving out food)

2 x team leader (opening/closing, doing the tablet, signposting people, ensuring all goes smoothly)

Bishop Andrewes, St Helier/Carshalton - Wednesdays 6pm-8:15pm

1 x meet and greet (greeting, refreshments, giving out food)

1 x team leader (opening/closing, doing the tablet, signposting people, ensuring all goes smoothly)

We ask for a commitment of one session per month and training is provided.

Our next induction training will be running in August but we would like to get the application process going prior to that. You may remember it's a very simple online form and we can help anyone who doesn't feel confident doing things on the computer.

Thank you for any help you can give.

Best wishes,

Vikki
