Subject: Latest Updates -We are hiring for Winter Night Shelter
To: mark tomlinson <info@suttoncommunityworks.org>

Sutton Winter Night Shelter

We are pleased to share that we are recruiting **2 part-time staff roles** for the shelter. One is a **manager** position requiring community project management experience, and the other is a **specialist resettlement** worker position, requiring relevant experience to support our guests in securing onward accommodation.

We would really appreciate you kindly sharing the job ad attached and links below (depending on your format for sharing).

The roles are live on [CharityJob.co.uk](https://charityjob.co.uk)

Direct links to the two job ads:

[Winter Shelter Resettlement Worker](#)

Any questions can be directed to shelter@suttoncommunityworks.org

Vikki, our Operations Manager is monitoring this email address part-time until the manager is appointed.

We are holding the shelter in prayer and if there is space in your prayer meeting to keep it in mind that would be appreciated too.

Thanks so much for your support in sharing about the Winter Night Shelter with your congregation. We are aiming to recruit 80-100 volunteers which is no small task.

A reminder that we are hosting an open session for people to find out more about this years winter shelter and what it means to be involved -these are happening this Tuesday 18th Nov online 11-12.15 OR in person on Thursday 20th Nov 10-12noon at Highfield Hall
e: shelter@suttoncommunityworks.org

With many thanks

Mark
